Sep 24, 2010 Why would a large airport with a lot of planes show up empty in my UPR/UPU aircraft? There are a lot of aircraft parked, such as cessnas at scenic airports in the vicinity of the runway, plus a couple small planes or helicopters that are also not doing anything. Oct 13, 2011 AAA@Geoff As mentioned in the release notes, this release is a bug fix release. Based on my experience of reviewing the list of fixes - some, but not all of them, will fix a specific issue. Some will fix a small percentage of customers' issues, some a larger percentage. If there's a bug in FSX that's never been fixed, you won't ever find it listed in the release notes. If all you want is a list of the bugs fixed for the period of time between the release notes, or any given release notes, then have a look at this page .

Nov 16, 2012 WannaCry victim, Ankit Agarwal, was eerily in line with AVSV's conclusion when he claimed that he had installed the latest version of A-Virus Total Security. Releasing my traffic Nov 16, 2012 I have stopped releasing MyTraffic X outside of the purchased version; as far as I am aware it isn't possible to make my product freely available. MyTraffic X has been bought by the team at Atlantic Simulations for the maintenance and further development of the product. For more information, go to the main page for MyTraffic X. Mar 17, 2013 I have placed a new web site on the web for MyTraffic X. The site is www.mytraffix.com. The release notes for 1.2.3 are at www.mytraffix.com/discussion. Also, I've stopped selling MyTraffic X in the UK . May 28, 2013 I have stopped selling MyTraffic X in the United States . Aug 28, 2020 Plenty of this stuff has been downloaded and used in the past, but I feel I want to start a thread for it just because FSX has some of the most broken traffic that is horribly supposed to be in the game. Want to play with your friends traffic in - has a good - extremely realistic - in the financial sector. Aug 22, 2020 And while I love the official tutorial, its too long, and if you have ever tried to learn, you know that it takes some time to get everything running - and I mean from load to taxi in to taxi out traffic. Aug 21, 2020 FSX includes your default traffic, with others available to purchase for later when you really want to. Aug 21, 2020 Even with the added features, there are still plenty of errors - such as dead or missing aircraft, or aircraft that appear in the zone but then disappears.
